

PINWHEEL INSTRUCTIONS: 1. Cutout the template around the outside of the colors. 2. Optional - use a paper punch to punch out the holes as shown. 3. Cut along white diagonal lines to end of line. DO NOT CUT TO CENTER. 4. Fold over each section with hole or white dot, so it overlays the white hole in the center. 5. Insert pin and affix pin to rubber eraser on pencil - or any wooden piece of similar shape. 6. Run with the pinwheel and watch it turn!
