

# POM-POM PALS!

OR AS WE LIKE TO CALL THEM...  
**BLOOPS!**

## MATERIALS

YARN  
POM-POM WINDER  
SCISSORS  
PIPE CLEANERS  
GOOGLY EYES  
GLUE

(If you do not have the Pom-Pom Winder, you can use your hand!)

## DIRECTIONS

**Step 1:** Tape one end of the yarn ball to the middle of the U-shaped Pom-Pom Winder

**Step 2:** Wrap the yarn around the prongs of the winder as pictured above until you reach desired thickness. Cut the end.

**Step 3:** Wrap a pipe cleaner around the middle of the yarn and pull it tight. This will keep your pom-pom together.

**Step 4:** Remove the tape and slide the yarn carefully off of the winder. Make sure the pipe cleaner is on tight!

**Step 5:** Carefully cut the loops of yarn on each end and fluff up your pom-pom. Curl the pipe cleaner ends to create antennae and glue on googly eyes to create your BLOOP!
